Hi everyone,

Just a reminder that we need the narratives today at noon so that we can meet OCFO deadlines. Also, we submitted additional information to OCFO on Lead and Endocrine Disruptors last week. I spoke with OCFO and they have indicated that additional guidance may be forthcoming on those 2 programs. For now, please continue to write the narratives based on the information as we know it.

Also, as a reminder, please copy Greg Scott and Deon Moore on your submissions.

Thanks,

Bruce Berkley

Hi everyone,

I wanted to ensure that everyone has the CJ narratives to allow you to edit them based on the FY 2018 budget decisions. Earlier in the year we sent these to your staff and had them revise the documents from an editorial standpoint. We now need you to provide us with revised Redline/Strikeout documents by **Noon, April 12th**. This will allow us time to get them all reviewed and approved by the Acting AA and submitted into OCFO's database.

For eliminated programs, I am going to contact OCFO to see if they plan to offer boilerplate language the will be included. I will let you know asap.

Please copy Greg Scott and Deon Moore on all submissions. If you have any questions, please let me know asap.

Thanks,

Bruce Berkley
